

VIRTUALIZATION

Dear Sirs/ Madam,

In conjunction with Citrix Customer Day 2010, at Sheraton Surabaya hotel, on 13 April 2010 we invite you to attend our event at the same place on the same day, offering you solutions to support Citrix environment.

Virtualization is very important to help you expanding your business without worry to increase your IT expenses. HP is the pioneer of Infrastructure Virtualization solution that can increase utilization and while reducing administration cost 50%. HP Innovations through virtualization provides savings on all Standard administrative tasks.

Attend MII and HP virtualization event and hear from the expert how virtualization solution can help you to improve utilization and lower costs like no other in industry.

This invitation is limited. Please register today!
